

LATEST COVID-19 CHANGES TO CONTACT TRACING & TESTING & OTHER RESOURCES – 29TH SEPTEMBER 2021

The HSE has provided information for parents about the changes to contact tracing and testing for children aged between 3 months and 13 years in early learning and care, school aged childcare, education, primary school sports and social settings. You can find it here:

<https://www.gov.ie/en/publication/13610-information-for-parents-about-the-changes-to-contact-tracing-and-testing-for-children-aged-between-3-months-and-13-years-in-early-learning-and-care-elc-and-school-age-childcare-sac-education-primary-school-sports-and-social-settings/>

Parents can also find other resources to download here:

<https://www.gov.ie/en/publication/a04fc-advice-for-students-and-their-families/>

Here you will find Videos and posters outlining the common symptoms of Covid-19, stressing that if a child has any new onset symptoms as listed and feels unwell or seems off-form, not to send them to school and contact your GP for advice, if necessary.

Please find further advice on wellbeing below.
